**President’s Report: Mike King**

- Final home game next week..Youth/MS/Military Appreciation Night
- Online store open again now (10/6) until 11/16
- Banquet...starting to plan

**Head Coach Report: TJ Plack**

- ALL communication moving forward from Coach Plack will come via the Blast Athletics app. I have sent our reminders to all Remind participants which includes the QR Code and a weblink to register with a personal email. There is also a QR Code for the app, our simply search “Blast Athletics” and it is the first app to appear.
- This is first a fundraising platform, but also a free communication platform with no charge and no limit to number of participants or number of characters in messages. This is a great way to

share pictures, videos, articles, etc of our players not only to the program, but sent out to all our donors. It is a thank you and keeps them engaged with the program and athlete that they donated.

- We are beginning a new fundraiser this week, Blast Fundraising. We have asked all players to gather 20 potential donors' contact information. Any donors over 20, players will receive tickets for an opportunity to win a couple \$250 gift cards. This fundraiser is different from Snap Raise, that it does keep contact with all donors. If a player receives a \$100+ donation, they will send a short video thanking their donor. When a donor's player is tagged in a video, picture, or article they will also receive that information. This is not only Varsity, but most importantly pictures and videos from our JV games as well.
